

James Hook & Co. Ship Live Maine Lobster Fresh To Your Door

James Hook & Co. is a leading lobster seller dedicated to bringing top quality lobsters and other seafood products fresh to your door.

03 November 2016, Boston, MA: What can be a more delightful moment than having an awesome supper of freshly-grilled lobsters. You can make this desire come true by ordering lobsters from James Hook & Co. They are a reputed seafood seller famous for live Maine lobster shipping overnight. When lobsters are delivered to your doorstep, they are extremely fresh because they are packed in a special insulated container with seaweed and iced gel packs to keep them fresh and cool during the trip.

Lobster is one of the most tempting seafood. Besides being yummy, including this crustacean is good for your diet too. There are many ways to serve this seafood, right from adding to the salad, eaten in a roll or served as a main course. This delicious seafood is packed with protein and is low in fat. So it makes a perfect addition to your meal plans. It is also low in cholesterol, meaning it is good for the heart. Lobster posses selenium, a trace element that stimulates the activity of thyroid glands. With good levels of Omega-3 fatty acid, lobster helps in reducing the problems with your heartbeat.

You can feel good about eating lobsters from James Hook & Co. because they have unique live Maine lobster shipping policy. They ship anywhere in the U.S. So, they know how to prepare them for the trip. The lobsters are packed in an insulated, multi-layered box, with iced-gel packs and seaweed. The seaweed and iced-gel packs keep the lobsters fresh and live up to 24 hours.

Daniel Richmond, a regular lobster buyer loves to order lobsters from James Hook & Co. He said – “I order lobsters regularly from them. They have the best live Maine lobster shipping policy with the best quality of lobsters around. If you love lobsters, I highly recommend.”
