## **Alkaline Booster pH Protector Drops**

Since American diet is loaded with acid-forming foods that can definitely produce a lot of acid in your body, Swanson pH Balance Alkaline Booster pH Protector Drops can help you keep your pH levels under control. It is an excellent and easy choice for anyone concerned about their body's acid/alkaline balance.

Drinking 8 glasses of water a day is a healthy habit, but with a pH rating of 12:25, these drops turn ordinary distilled water into a genuine health elixir. Simply fill your water bottle with one drop per ounce of water and sip throughout the day.

- It balances your pH level for better health
- It is highly alkalizing; 12.25 pH rating
- Add these drops to distilled water and carry your water bottle anywhere

## **Alpha Amino**
